

Talbot Primary School

RESPECT RESPONSIBILITY PERSISTENCE TEAMWORK HONESTY

A Message from the new Principal

Krista Barnes

(reprint)

My warmest greetings to the Talbot Primary School community. It is with great happiness that I am able to introduce myself as the new Principal. My sincere gratitude to the panel for their belief in my capabilities to lead their school.

I am feeling extremely excited to meet the wonderful students from Talbot PS, the staff team and families. I look forward to working with you all, as we plan and set the future directions of the school. I have worked in the education sector for 14 years and I am currently the Acting Principal of Yaapect PS, a lovely country school in the Mallee. My home is based in Ballarat and I feel privileged to be able to fulfil my dreams of being a Principal in a country school and return home. I am also looking forward to a very long connection to the school, building the school through the next review process and achieving our school goals.

I have two amazing adult children, Beccy and Lincoln as well as my dog Maia and two cats. Maia my Golden Retriever loves to come to school with me and absolutely loves children, so I am hoping she can meet you all in Term Four.

Due to the current situation we find ourselves in with the Stage 3 restrictions, our face-to-face meetings may have to be via other platforms. My first goal is to build strong, positive relationships with every member of our community. I wish you all a wonderful finish to Term Three, a safe and enjoyable holiday with your families and see you all in Term Four. Kindest Regards, Krista Barnes.

ber—Scholastic
Book fair**

We would like to acknowledge the Dja Dja Wurrung, Traditional Custodians of the land where Talbot primary School is situated. We would also like to acknowledge our Elders, past, present and future.

From the Acting Principal

We are all most there!

As we successfully finish of the second last week of term 3 (week 9) the COVID-19 Pandemic continues to challenge us all and is ever-evolving on a daily basis.

The Premier recently has outlaid a Road Map to a Covid normal which involves the return to school in the second week of term 4.

I will inform all parents and students next week when during the second week of term 4 the students will be required back at school. I would like to consult with staff on Monday to ensure a fruitful transition back for everyone. But a return to school is exciting I am sure our brilliant students will come back to school in a seamless fashion as they previously have done.

When students do return to school it must be noted and advised that the continuation of previous protocols will need to be followed regarding the drop off and pick up of your children.

This is that there is still NO convening outside of the school between parents, as well as prohibited access to come on site. If you need to contact or speak with staff this will need to be done via phone call or email.

Students and staff will still need implement constant sanitising and hygiene measures until we are provided with further notice from the Department of Education.

Hopefully once students are back an ease of further restrictions will follow and we can have breakfast club back up and running, won't it be great to be able to have everyone back on site again including parents. However, until then we need to remain diligent and ensure we continue to follow protocols outlined by our government.

We have recently had installed in the artroom/cooking area brand new rangehoods for our cooking program. I am sure the students and staff will make valuable use of these in the coming term 4 and cook up a storm with some delicious meals.

Term 4 reminder

PLEASE remember that term 4 is also HAT weather. Students are required to wear a broad brimmed hat during the warmer months. It may be a good idea to place this straight in your child's school bag so it won't be forgotten! Best to be always organised I believe J

I hope everyone has a blissful and enjoyable weekend, enjoy some of this amazing sun we are having and finish off the last week of term strong and please ensure all students are up to date with all their work requirements.
