Hello Parents/Carers,

After a few hot weeks, we can finally look forward to some cooler weather! This is a great time to send out the reminder to label all items of school uniform please, especially jumpers that are often taken on and off throughout the day.

NAPLAN—Why do students do NAPLAN tests?

The National Assessment Program – Literacy and Numeracy (NAPLAN) assesses literacy and numeracy skills that are essential for every child to progress through school and life.

Students in Years 3, 5, 7 and 9 participate in the annual NAPLAN tests in reading, writing, language conventions (spelling, grammar and punctuation) and numeracy.

The tests provide parents and schools with an understanding of how individual students are performing at the time of the tests. NAPLAN tests are just one aspect of a school's assessment and reporting process; they do not replace ongoing assessments made by teachers about student performance.

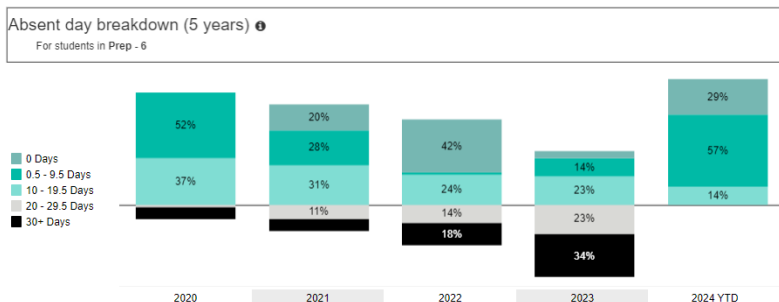

NAPLAN tests also provide schools, education authorities and governments with information about how education programs are working and whether young Australians are meeting important educational outcomes in literacy and numeracy.

Attendance

One of our most important areas of focus this year is providing engaging and targeted lessons for all students. This means that every minute spent at school is incredibly important.

I have already noticed a marked improvement in the attendance rates compared to this time last year and would like to say thank you to the parents, who are the main drivers of attendance of students at this young age. Please keep supporting your child to attend by showing interest in their learning, completing home reading and helping with early bedtimes. All of these show your child/ren that you, too, value their education.

Here is an updated snapshot of our attendance data which shows the great start we have made this year. Keep it up everyone!

We would like to acknowledge the Dja Dja Wurrung, Traditional Custodians of the land where Talbot Primary School is situated. We would also like to acknowledge our Elders, past, present and future.

OUR PANTRY TO YOUR PANTRY

We regularly have excess items from our Breakfast in Schools program. We think it would be lovely if these food items were put to good use rather than being disposed of, so we will be operating a 'Pantry Swap' stall on Friday afternoons near the pick-up gate in the shed.

Please feel welcome to take what you need.

Most weeks we will have carrots, apples, pears, oranges, tinned fruit, long-life milk, lactose free milk, Weetbix, oats, muesli, baked beans, tinned spaghetti, vegemite and honey.

EVENT OVERVIEW

Targa Classica, Australia's premier classic car event, offers a thrilling journey through Victoria's picturesque landscapes, mirroring Italy's Grand Event. With over 150 cars and 10,000 spectators, it's a celebrated fixture in the classic car scene. This event is a unique blend of adventure, culture, and competition, inspired by Italy's iconic classic car events but with a distinct local flavour.

With two competition categories Classica (1906-1976) and Legend (1976-present), emphasising precision rather than speed, Targa Classica caters to a wide range of enthusiasts and promises an unforgettable experience.
