RESPECT RESPONSIBILITY PERSISTENCE TEAMWORK HONESTY

Term 2 Week 8— 17th June 2022

A message from the Acting Principal

Dear Parents and Friends,

Illness – Thank you to all families and staff who continue to support the school and each other during this time. We have had a lot of illness throughout the school, and it is so heart-warming to hear of families checking in with each other and taking care of each other. Please remember to let us know if your child is away by phoning Jo at the Office.

Camp – We are on the countdown for the grade 3-6 camp which will take place from Monday 20th June to Wednesday 22nd June inclusive. The program for the Creswick Log Cabin Camp looks really exciting! Good luck campers and please be at school on time this Monday. Fingers crossed for good weather!

Preparation for Puberty – Students in grades 5-6 participated in their fourth workshop delivered by Castlemaine Health this week. This program helps children prepare for the transition to puberty by talking about the physical, social, and emotional changes that commonly occur at this time. The final workshop will take place later in the year.

Classroom activities – It has been another busy week in our classrooms. It was wonderful to see the Grade 3-4 students being rewarded for their hard work with a fun playdough making activity with Mrs Tatchell. I was lucky enough to catch the P-2 students creating some amazing 'hand tree' drawings in response to their mentor text – it is so fun to get creative! The 5-6 students have been working hard on their debates and enjoyed presenting their work on Friday. Great work everyone!

Curriculum Day – Just a reminder that the last day of school, Friday June 24th, is a curriculum day. Teachers will be busy planning for Term 3!

Before and After School Care - Please remember that you can utilise the Before and After School Care Program to care for your child/ children on curriculum days or any day before or/and after school. Please make enquiries through the office.

Hats, coats, and jumpers – We are still trying to get outside to play as much as possible at recess and lunch. Please make sure your child has something warm to wear as we do not have many warm items to spare. Additional uniform can be purchased through the office.

Reports and Parent Teacher Meetings – Reports will be handed out on Thursday 23rd June. Next term, you will have an opportunity to meet with your child's teacher and discuss their report. Information will be supplied early Term 3.

Term 3 Acting Principal – I will be continuing as Acting Principal next term, with Krista Barnes to continue as Acting Principal at Rockbank PS. Despite being a difficult term due to illness, I have enjoyed my time getting to know all the students and families at Talbot PS and am looking forward to continuing the work I have started this term.

Batak (take care),

Kate Ward Acting Principal

We would like to acknowledge the Dja Dja Wurrung, Traditional Custodians of the land where Talbot Primary School is situated. We would also like to acknowledge our Elders, past, present and future.

TheirCare

Term 2 Week 8.

Welcome to the last few weeks of term. I hope you all have lovely warm fires to get away from the cold and wet. This week has been a knockout, our first PFD was spectacular. We spent the day making amazing crafts, playing games, and playing outside. The children invented a crazy game of police and prisoner escape hide and seek. So much fun. My ribs still hurt from laughing.

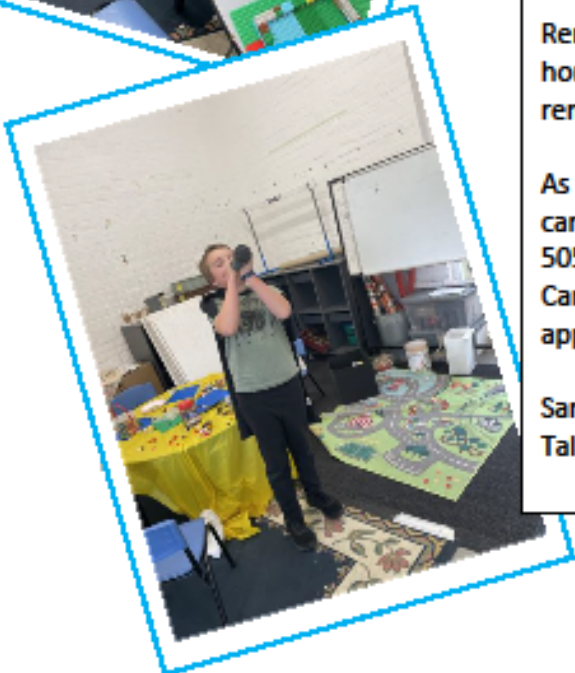

Next week we will continue celebrating what is amazing about our kids. We will be expressing our different personalities through craft and play.

As mentioned, curriculum day was a huge success, the children had loads of fun. Last day of term, which is the 24th of June is the next pupil free day. No need to worry about babysitters or children getting bored. I have you covered. After subsidy, PFD will be approximately \$10.

Remember you can make a booking as little as 30 minutes before home time. So, if time is getting away from you, we can help. Just remember to register through our website or ring head office.

As always, please stop in and have a chat and see how TheirCare can help with your schedule. You may also call me on 0499 855 505. Remember with the childcare subsidy the cost of After School Care gap fee is approximately \$4. Before School Care it is approximately \$3.

Sam Dunn,
Talbot PS TheirCare Coordinator.

Booking your child into the program in 3 simple steps.

1

Create an account through www.theircare.com.au.
Head office: 1300072410. Bookings and cancellations can be managed through your account.

2

Provide CRN Centrelink details, any medical conditions and contact details.

3

Select booking dates through your calendar. Casual bookings and regular bookings available. Bookings made within 48 hours and changes to bookings will occur a small fee.

For any emergencies or questions please contact:

Sam Dunn 0499 855 505

TheirCare during office hours 1300 072 410

We have been seen again

Head lice are common in school-aged children and are the most adaptable of creatures. They have survived living solely on human heads for 10 000 years. You may be reassured to know that they are commonly found in places other than Talbot P.S.

Some of the reasons they have survived for as long as they have are:

- The six legs of a louse end in a claw, allowing them to grip the hair.
- They detect vibration and can hide - (conditioner will help fix this problem)
- Head lice can 'hold' their breath for 20 mins – looking like they are dead.
- The eggs are attached to the hair with a 'glue' like substance. Studies conducted on 45 different products to dissolve the 'glue' showed **nothing** would dissolve it.

The good news...

We know where they live and we know how to find them.

If you follow these steps, once a week, the control of head lice in your home will be greatly improved.

Step 1 Comb inexpensive hair conditioner in to **dry, brushed (detangled) hair**. This makes it difficult for lice to grip the hair or run around;

Step 2 Wipe the conditioner from the comb onto a paper towel or tissue;

Step 3 Look on the tissue and on the comb for lice and eggs;

Step 4 If lice or eggs are found, the child should be treated with a commercial headlice treatment;

Step 5 If the child has been treated recently and only hatched eggs are found, you may not have to treat since the eggs could be from the old infection. If the eggs are "live" they will appear a brown/ clear colour and if you run your fingers over them they will stick to the hair shaft. If the eggs are 'old' they appear white and will come off easily when you try to remove from the hair shaft.

Please note, it is imperative to remain vigilant in checking your children's hair and removing **ALL** live eggs. If the eggs aren't all removed reinfestation may occur.

If your child has head lice – tell anyone who has had head to head contact with them, ask them to check their family for head lice and notify the school.

It is school policy (and that of the Department of Health) that if live lice are found on your child at school, they must be taken home to be treated and returned only after this process has commenced.

Winter School Holiday Fun

Warm up these school holidays
with a great program of
events and activities between
24 June and 8 July, 2022.

FRIDAY

24 JUNE

IMPORTANT SCHOOL INFORMATION

TALBOT PRIMARY SCHOOL VISION

Talbot Primary School is a happy and safe learning environment where students are inspired to achieve their best academically, while making a positive contribution to their community. At Talbot Primary School, students are encouraged to be independent learners who are confident in themselves and their learning and are able to embrace challenges. Students are supported to be resilient, open minded, kind, caring and respectful of others and responsible for their actions

FROM OUR STUDENTS

Talbot Primary School Students are helpful, persistent and responsible. We try our best to be a good friend, to be a good sport, to support each other and to put maximum effort into our learning.

Our values are an important part of our unique school.

We live by our school values.
