

TALBOT PRIMARY SCHOOL 2021

ICT ACCEPTABLE USE AGREEMENT

The agreement below is to be signed by the student and parent.

Please note: The full ICT Acceptable Use Policy can be read on our website or will be supplied to you in hard copy on request.

When I use technology, both at school and at home I have responsibilities and rules to follow. I agree to:

- be a safe user whenever and wherever I use that technology.
- be responsible whenever and wherever I use technology and support others by being respectful in how I talk to and work with them and never write or participate in online bullying. This includes forwarding messages and supporting others in harmful, inappropriate or hurtful online behaviour.
- report to an adult if I feel unsafe or uncomfortable online or see a friend being unsafe or being made to feel uncomfortable by others.

When at school I agree to:

- behave in the way outlined in the schools' Code of Conduct when online or using mobile technology.
- keep myself and my friends safe by not giving out personal details including full names, telephone numbers, addresses and images and protecting my password
- use the technology at school for learning, use the equipment properly and not interfere with the work or data of another student
- not bring or download unauthorised programs or files
- not go looking for rude or offensive sites
- use an 'online name' and avatar when sharing my work online.
- remember that the content on the web is someone's property and ask my teacher / parent to help me get permission if I want to use information or pictures
- think carefully about what I read on the Internet, question if it is from a reliable source and use the information to help me answer any questions (I should not copy and paste the information as my answer).
- talk to my teacher or another adult if:
 - I need help online
 - I am not sure what I should be doing on the internet
 - I come across sites which are not suitable
 - someone writes something I don't like, or makes me and my friends feel uncomfortable or asks me to provide information that I know is private
 - I feel that the welfare of other students at the school are being threatened

If requested by a teacher to bring a mobile phone, iPod or other mobile device to school I agree to:

- use it only as requested for learning purposes as directed by my teacher
- be responsible in my use and not use the device to find, create or send information that might be harmful, inappropriate or hurtful to me or anyone else.

When using my mobile device as a camera I will:

- only take photos and record sound or video when it is part of a class or lesson
- seek permission from individuals involved PRIOR to taking photos, recording sound or videoing them (including teachers)
- seek written permission from individuals involved PRIOR to publishing or sending photos, recorded sound or video to anyone else or to any online space
- be respectful in how I talk to and work with others online and never write or participate in online bullying
- seek teacher permission before uploading any content to websites, blogs etc

This Acceptable Use Policy for Mobile Devices also applies to students during school excursions, camps and extra-curricula activities. Students travelling on a school bus with a mobile device must leave it in their bags at all times.

I acknowledge and agree to follow these rules. I understand that my access to the Internet and mobile technology at school will be renegotiated if I do not act responsibly.
