RESPECT RESPONSIBILITY PERSISTENCE TEAMWORK HONESTY

Term 3 Week 6

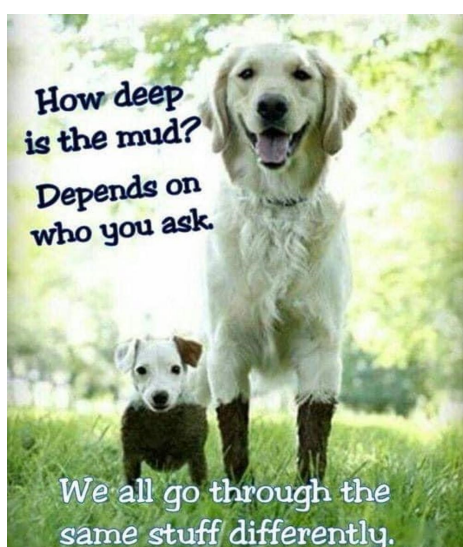

21st August, 2020

From the Principal

Hello Families,

Welcome to this week's newsletter. I hope you're doing well in the current circumstances. We admire you all for the way you're doing the very best you can with remote learning. Your best might be very different to your friend, neighbour, what you see on social media platforms or what you hear about at the shops.

That's perfectly okay.

Continue to put your well-being and mental health first. It might be reaching out to myself or your child's teacher to seek some further support. It might be picking up the phone and venting to a friend. Whatever you need to do to make this period easy for you and your family make sure you do it.

It has been very pleasing in this current remote learning phase that student engagement and the submission of work tasks have significantly increased. This has been vital in supporting staff to plan for your child against the curriculum standards to progress them in their learning, similarly to how this would occur within the classroom.

It is very important that all completed work by your child is promptly uploaded to your child's teacher so they can review, assess the completed tasks and plan for the next component for your child to undertake in their learning. We acknowledge that some work may be very challenging but having open communication with your child's teacher in relation to this allows for additional support when required. Ensuring that your child/ren also meet the requirements to attend designated online appointments with their teacher is also imperative, so that the teacher can ensure any difficulties with set work tasks can be discussed or raised in these set times.

Well done to all families who submitted superhero content to Mrs. K. I think we can all agree that Katzer Creations have done a fantastic job in providing a fun and creative video. If you have not seen it you can find it on the schools Facebook page or on Class Dojo.

We would like to acknowledge the Dja Dja Wurrung, Traditional Custodians of the land where Talbot primary School is situated. We would also like to acknowledge our Elders, past, present and future.

WHAT MAKES TALBOT A GREAT COUNTRY SCHOOL?
