RESPECT RESPONSIBILITY PERSISTENCE TEAMWORK HONESTY

Term 3 Week 2— 22nd 2022

A message from the Acting Principal

Dear School Community,

COVID 19 Update – A letter from the Department of Education was delivered to all families via email earlier this week outlining the current recommendations around COVID 19 measures in schools. As outlined in this letter, masks are **not mandatory** unless the student is attending when there is a positive case in the home. This week we can report two positive COVID 19 cases within the student population, and several related cases in the community. Masks are available from the office for those who wish to use them. RATs are also available upon request.

Curriculum Day – This coming Monday, 25th July, is a curriculum day. This means that students are not to attend school. Gary Perrot will be visit Talbot PS to deliver a masterclass to teachers on the 6 Traits of Writing.

Their Care – If you need to organise care for your child on Monday, please contact Sam from 'Their Care' via the office. Sam offers care before and after school, and on curriculum days. Children have the opportunity to play, participate in activities, and complete arts and crafts.

3 Way Conferences – At this stage, we will still hold parent teacher catch-ups on Tuesday 26th July in person. If conditions change, we will conduct catch-ups via telephone. Thank you to those people who have already registered for their interview. If you wish to organise an interview time, please contact the office.

Noel Pollard Basketball – On Friday 29th July a group of grade 5-6 students will be attending basketball with Mrs Mac. Students will be required to meet Mrs Mac at the venue. Please look out for notes and return to the office asap!

Athletics – The Dunolly Cluster Athletics Carnival will be held on Friday 5th August. We will be talking with students about the range of events over the coming week. Whilst most activities will be compulsory, please note that hurdles and high jump are not. This looks like a fun day out and I'm looking forward to leading the 11 years girls group on the day.

2023 Enrolments – If you or someone you know have a child enrolling at Talbot PS in 2023, please let us know! Enrolments are now being taken, with forms available from the office.

Thankyou – A huge thankyou to Shaynee for stepping in for Ev over the last two weeks, as Ev has enjoyed some long service leave. Shaynee will continue to come in on Wednesday and Thursday to complete her tutoring role. Also a big thankyou to all of Team Talbot who have once again stepped up to cover illness and injury. We are very lucky to have so many wonderful people involved with Talbot Primary School!

Enjoy your weekend,

Kate Ward

Acting Principal

Talbot Primary School

We would like to acknowledge the Dja Dja Wurrung, Traditional Custodians of the land where Talbot Primary School is situated. We would also like to acknowledge our Elders, past, present and future.

TheirCare

Term 3 Week 2

Yay, halfway through 2022 already. We had some great fun in semester one however semester 2 is going to be amazing. Already we have started our winter wonderland theme by making snow paint. The best part of this activity was mixing shaving cream, glue, and white paint together. Very gloopy and messy.

This week we will continue 'Winter Wonderland' theme by making animal stain glass windows and snow clay. We will even make snow, yes snow! Next week will be a celebration of friendship week. Friendships of all kinds will be celebrated with fun craft and sport activities.

If you have been thinking about enrolling your child at TheirCare now is the time to do it. Fresh term fresh start. Remember you can make a booking as little as 30 minutes before home time, as long as your child has a registration.

As always, please stop in and have a chat and see how TheirCare can help with your schedule. You may also call me on 0499 855 505. Remember with the childcare subsidy the cost of After School Care gap fee is approximately \$4. Before School Care it is approximately \$3.

Sam Dunn,
Talbot PS TheirCare Coordinator.

Booking your child into the program in 3 simple steps.

1

Create an account through www.thericare.com.au.

Head office: 1300072410. Bookings and cancelations can be managed through your account.

2

Provide CRN Centrelink details, any medical conditions and contact details.

3

Select booking dates through your calendar. Casual bookings and regular bookings available. Bookings made within 48 hours and changes to bookings will occur a small fee.

For any emergencies or questions please contact:

Sam Dunn 0499 855 505

We have been seen again

Head lice are common in school-aged children and are the most adaptable of creatures. They have survived living solely on human heads for 10 000 years. You may be reassured to know that they are commonly found in places other than Talbot P.S.

Some of the reasons they have survived for as long as they have are:

- The six legs of a louse end in a claw, allowing them to grip the hair.
- They detect vibration and can hide - (conditioner will help fix this problem)
- Head lice can 'hold' their breath for 20 mins – looking like they are dead.
- The eggs are attached to the hair with a 'glue' like substance. Studies conducted on 45 different products to dissolve the 'glue' showed **nothing** would dissolve it.

The good news...

We know where they live and we know how to find them.

If you follow these steps, once a week, the control of head lice in your home will be greatly improved.

Step 1 Comb inexpensive hair conditioner in to **dry, brushed (detangled) hair**. This makes it difficult for lice to grip the hair or run around;

Step 2 Wipe the conditioner from the comb onto a paper towel or tissue;

Step 3 Look on the tissue and on the comb for lice and eggs;

Step 4 If lice or eggs are found, the child should be treated with a commercial headlice treatment;

Step 5 If the child has been treated recently and only hatched eggs are found, you may not have to treat since the eggs could be from the old infection. If the eggs are "live" they will appear a brown/clear colour and if you run your fingers over them they will stick to the hair shaft. If the eggs are 'old' they appear white and will come off easily when you try to remove from the hair shaft.

Please note, it is imperative to remain vigilant in checking your children's hair and removing **ALL** live eggs. If the eggs aren't all removed reinfestation may occur.

If your child has head lice – tell anyone who has had head to head contact with them, ask them to check their family for head lice and notify the school.

It is school policy (and that of the Department of Health) that if live lice are found on your child at school, they must be taken home to be treated and returned only after this process has commenced.

IMPORTANT SCHOOL INFORMATION

TALBOT PRIMARY SCHOOL VISION

Talbot Primary School is a happy and safe learning environment where students are inspired to achieve their best academically, while making a positive contribution to their community. At Talbot Primary School, students are encouraged to be independent learners who are confident in themselves and their learning and are able to embrace challenges. Students are supported to be resilient, open minded, kind, caring and respectful of others and responsible for their actions

FROM OUR STUDENTS

Talbot Primary School Students are helpful, persistent and responsible. We try our best to be a good friend, to be a good sport, to support each other and to put maximum effort into our learning.

Our values are an important part of our unique school.

We live by our school values.
