RESPECT RESPONSIBILITY PERSISTENCE TEAMWORK HONESTY

Term 3 Week 7

28th August, 2020

From the Principal

Dear parents/carers,

As we conclude Week 7 and edge closer to the end of Term 3 it's important to acknowledge the continue efforts of everyone. I am thoroughly impressed by the resilience the students are demonstrating and the support that all parents/carers are showing.

Your role in your child's learning even if you think you don't know much about learning and teaching is important. You are the first educators in your child's life and they continue to be influenced by you over the years. And when your child goes to primary and then secondary school, you can help your child have a positive attitude to learning, just by being positive yourself. It's OK to ask for help.

If you're feeling overwhelmed by the demands of caring for your child, call your local [Parentline](#). You might also like to try [ideas for dealing with anger, anxiety and stress](#). Victorian helplines

School Resources

The school is in the process of updating and revamping our library books and take home readers. In order to strategically spend money on resources we require, it would greatly be appreciated if you can have a look at home for any school books (library or take home readers) that you may have and kindly return these to the school once students return.

This will allow us to cross reference what we still have and order the appropriate books to cater for all our student interests. Thus, allowing everyone to have a selection of fiction and non-fiction text to continue to display a passion for reading.

Internet Devices

Please be aware that the internet devices that were sent home to support flexible and remote learning does have limited internet access.

Each device has only 8GB provided. Therefore, it is critically important that the Telstra 4GX Wi-Fi Plus device be used only for school related lesson and activities. These are not for personal use as this will render the device obsolete once the data has reached it limit and students will find it difficult to complete their daily school requirements.

We would like to acknowledge the Dja Dja Wurrung, Traditional Custodians of the land where Talbot primary School is situated. We would also like to acknowledge our Elders, past, present and future.
