RESPECT RESPONSIBILITY PERSISTENCE TEAMWORK HONESTY

Term 1 Week 2 — 4th February 2023

## **Setting up for Success**

What a wonderful first week back! I have thoroughly enjoyed meeting and working with our brilliant staff to 'set up for success' in 2023. I also appreciated everyone's kind words of welcome when introduced on Monday at our Parent/Teacher interview day. This day was a lovely example of parent and student voice being invited and integrated into ensuring each of our students have a positive start to learning in their new year levels. It was a lovely bonus to meet past students who were keen to tell me everything that they loved about coming to Talbot Primary. I wish all of these students well at secondary school, especially if they are about to have their first day of Year 7!

I have had a chance to visit classrooms this week to meet and greet every student and I have to say that they are the most delightful bunch of coconuts I have come across! Every child had a smile and a hello and so many return my enquiry of 'How are you?' with "I'm well. How are you?"

## **Music Plays Again at Talbot!**

I also have the pleasure this term of working with Darren Netto from The Song Room each Wednesday to support the delivery of a Performing Arts program. Performing Arts will continue next term and I look forward to introducing the students to the wonderful variety of musical resources that we have here at Talbot Primary.

## **Sentral**

Thank you to the parents who have installed the Sentral Parent Portal onto their chosen devices. This is the primary method of communication for all parents and guardians. Dojo is no longer used or monitored by school staff.

Initially we are using Sentral to log attendance, put out announcements and for our school calendar items. In the near future (after another professional learning session) we will add digital permission slips, parent/teacher interview bookings and entering of learning and wellbeing data. We are looking forward to Sentral supporting all staff and parents to stay connected and in the know.

## **Cuppa & Catch Up with the Principal**

Speaking of staying connected, I would like to invite all parents and guardians (if you are available and keen) to an afternoon tea session where you can assist me to learn more about the Talbot Community and we can discuss some ideas that have recently been introduced at School Council. We can also help with explaining Sentral if anyone is experiencing difficulties in using the app. There will be tea, coffee and biscuits available.

2:30pm in the staffroom @ Talbot Primary School on Tuesday 14<sup>th</sup> February.

Again, thank you for being so welcoming!

Tess Kelly

Acting Principal

# The Song Room has come to Talbot Primary

The Song Room is a musical program that focuses on using The Arts to elevate student wellbeing and learning.

We were all thrilled to meet Darren Netto who has been engaged to deliver the 10-week music program onsite at Talbot Primary School.

More exciting is that from Week 3, the music program will be delivered from its very own space in the Arts building! Mrs Kelly is currently very busy arranging for this room to have a makeover and be the home of Performing Arts classes for the remainder of the year.

Darren is an experienced guitarist who introduced music, dance and drumming in our first session. We are all very excited for next week and eagerly waiting to see which instruments we will be able to explore.
