Our school collects and uses student and parent personal information for standard school functions or where permitted by law, as stated in the [Schools' privacy policy](#) and the [Schools' privacy collection notice](#).

Our [Photographing, Filming and Recording Students policy](#), describes how we collect and use photographs, video and recordings of students. The policy also explains when parent consent is required and how it can be provided and withdrawn.

We ask parents to also review the guidance we provide on how we use [Microsoft 365/Google Workspace for Education](#) safely at the school and what parents can do to further protect their child's information. Multi-age Values Lessons

At Talbot Primary School, we are a connected, caring, and inclusive learning community where every student is empowered to thrive. We are committed to enhancing learning outcomes for all students by delivering high-quality, evidence-based teaching practices that cater to the diverse needs of our learners. Our teaching is not just guided by our beliefs—it is reflected in the actions we take every day.

We provide a dynamic and challenging curriculum within a safe and supportive environment, designed to equip every student with the knowledge, skills, and dispositions needed for success in learning and life. Our goal is to develop confident, curious, and capable learners who are not only academically strong but also socially responsible and emotionally resilient.

Students at Talbot Primary School are encouraged to take ownership of their learning, set meaningful goals, and approach challenges with persistence and courage. We actively nurture student voice and agency, ensuring that every learner feels valued and heard.

We place great emphasis on strong, respectful partnerships between home and school and recognise that working together with families and the broader community is essential to student success.

Our values - Tenacity, Aspiration, Safety and Kindness - are at the heart of who we are and what we stand for. They guide how we learn, how we treat others, and how we grow together.
