Term 3, Week 4 - 3rd August, 2026

Upcoming Events

Dear Families,

What a lovely fortnight of celebrations and together activities!

3/4 Camp

The Goldfields Small Schools Cluster 3/4 students had a very exciting camp in Week 2. I always like to thank the staff who take time away from their families to support students to attend, and I would also like to acknowledge our students who demonstrated each one of our school values of tenacity, aspiration, safety and kindness during their three days. Sometimes it can be a bit daunting to go on camp, especially if it your first time staying away from home. Also, the activities are designed to allow students to test their team work, build confidence and challenge themselves further than they maybe knew was possible. Congratulations to all who attended.

100 days of school!

Our youngest students have been with us for 100 days of learning and we are so proud of how far they have come in that time! The learning, both academically and socially, has been enormous. Having loved my time as a Foundation teacher in the past, I share Mrs K's feeling of pride and amazement for their never ending enthusiasm and willingness to take on new learnings everyday.

Learning Conferences and Student Support Group meetings

Don't forget to book a time with your child's classroom teacher for tomorrow evening's Learning Conferences. This is such an important opportunity to share the learning journey with your child, and we are always pleased to see so many families taking up this opportunity every term. Your child has set learning goals that they have worked hard to achieve, and they will be able to explain to you the steps they have taken, they growth they have made, and also what the next steps are if their goals have been achieved.

We look forward to seeing you all tomorrow night!

SCHOOL VALUES

Aspiration - Aspiration refers to having a strong wish or hope to achieve something important in the future. It's about dreaming big, setting goals, and always working hard to achieve them.

Tenacity - Tenacity refers to being determined and having persistence to keep going despite challenges or obstacles. Tenacity is often associated with resilience, making it an important characteristic for success in personal and academic endeavours.

Kindness - Kindness refers to being caring, helpful, and compassionate towards others. It involves treating people with respect and consideration, and showing empathy for their feelings. Kindness is not just about doing good deeds, but also about being friendly, inclusive, generous, and understanding.

Safety - Safety refers to protecting yourself and others from harm and danger, or anything that could hurt you. It is about making sure you and the people around you stay healthy and secure, both in person and online.

Resilience, Rights and Respectful Relationships

Talbot Primary School is a proud Respectful Relationships school.

Respectful relationships education is part of the Victorian Curriculum and delivered by all Victorian government schools. It supports students to develop the knowledge, attitudes and skills needed for respectful relationships, and helps to build respect and equality across the entire school community.

Research tells us that providing respectful relationships education at school can lead to positive impacts on students' academic outcomes, their mental health, classroom behaviour and relationships.

Our school uses the Department of Education's evidence-based teaching and learning resources to teach our students about Respectful Relationships from Foundation to Grade 6.

The Resilience, Rights and Respectful Relationships resources have 8 topics that teach students about emotional literacy, personal and cultural strengths, resilience, problem-solving, stress-management, help-seeking, gender norms and stereotypes and positive gender relations.

This fortnight in class we are working on Topic 5 which helps students to learn about Stress Management. The activities from this topic are below.

Foundation ~ Positive Play, Making new friends ~ from stress to strategies.

Year 1/2 ~ What is stress?, Relaxation Techniques.

Year 3-6 ~ Strategies for Self-Calming, Lifting the Mood, I wonder if I might need help with this?

CULTURAL OBSERVANCE AROUND THE WORLD

August 4 ~ National Aboriginal and Torres Strait Islander Children's Day - a celebration of Indigenous children.

August 6 ~ Hiroshima Day - Commemorates those who lost their lives in the bombing of Hiroshima, Japan on 6 August 1945, and to pray for lasting world peace.

August 9 ~ Nagasaki Day - Commemorates the victims of the atomic bombing of the city of Nagasaki in 1945.

August 9 ~ International Day of the World's Indigenous Peoples - This day encourages people to protect and promote the rights of indigenous peoples.

August 15 ~ Feast of the Assumption of the Blessed Virgin Mary - The Assumption signals the end of Mary's earthly life and marks her return to heaven to be reunited with Jesus.

August 16-25 ~ Onam - Onam is a Hindu harvest festival celebrated predominantly in India.

August 25 ~ Australian South Sea Islanders National Recognition Day - Recognised as a distinct cultural group by the Commonwealth Government in 1994

August 28 ~ Raksha Bandhan - Raksha Bandhan means bond of protection. This Hindu festival honours the love between brothers and sisters. It is marked by the tying of rakhi thread by the sister on her brother's wrist.

September 4 ~ Krishna Janmashtami - The festival celebrates the birthday of Lord Krishna in Hindu culture.

If you have any cultural dates you would like us to showcase please contact the office.
